**INTERNATIONAL CONFERENCE
ON**

**“FACING CHALLENGES TOGETHER FOR
SUSTAINABLE LIVESTOCK AND
POULTRY HEALTH - A LOCAL INITIATIVE
FOR GLOBAL SOLUTIONS”**

20th & 21st JULY, 2017

Organized by

**Health Departments
Veterinary College and Research Institute
Namakkal-637 002**

**Tamil Nadu Veterinary and Animal Sciences
University
Tamil Nadu, India**

Dear Veterinary Professionals,

It is a matter of immense pleasure to invite you for the International Conference on **“Facing challenges together for sustainable livestock and poultry health-A local initiative for global solutions”** scheduled to be held on 20.07.2017 and 21.07.2017 at Veterinary College and Research Institute, Namakkal. This scientific conference is organized by the Health Departments of this Institute with the objective to stride for sustained livestock and poultry health.

ABOUT THE COLLEGE AND UNIVERSITY

This Institute has been founded upon the ideal of uplifting the farming community by augmentation of the poultry industry and has had a humble beginning in the year 1985. At the outset, this institute had been functioning under the Tamil Nadu Agricultural University (TNAU), Coimbatore and in due course, back in the year 1989 it became a constituent unit of India's first Veterinary Varsity, the Tamil Nadu Veterinary and Animal Sciences University (TANUVAS) which has been ranked 38th among the Universities at National level. Over thirty years, the College had excelled in its own right as a professional institution, producing internationally-renowned veterinarians and scientists, and has been bestowed with the award of *Best College of TANUVAS* for the year 2016.

The mandate of this Institute embraces education and training in various facets of veterinary and animal sciences, in order to advance technical and professional manpower, research and development. This institute has won wide acclaim for our innovative and extensive research paradigms that stand acknowledged among the contemporaries. Schemes sanctioned by various funding agencies viz., ICAR, NADP, DST etc. and several student projects have been successfully completed. State of the art facilities which include Ultra centrifuge, Nanodrop, real time PCR, GelDoc, molecular parasitology laboratory established under DBT-BBSRC, Centralized Clinical Laboratory equipped with various diagnostic tools like haemo and biochemical autoanalyser could showcase the research strength of this institute.

TANUVAS has active collaboration with research programmes from various overseas Universities, amidst Virginia Tech University, Blacksbergh, USA, Michigan State University, East Lansing, USA and University of Nongham, England are significant.

THEME AREAS

1. Emerging and re-emerging diseases of global importance
2. Recent trends in the diagnosis and control of infectious diseases of livestock and poultry
3. Impact of parasitic diseases on livestock and poultry
4. Pathobiology of livestock and poultry diseases

SUBMISSION OF ABSTRACTS

Abstracts limited to 250 words typed in 12 font size (Arial, Microsoft word) in 1.5 line spacing may be sent via e-mail as an attachment on or before 10th July, 2017. The abstracts should contain the objectives of the study, brief methodology, results and conclusions. Selected papers will be considered for oral presentation and the remaining will be allotted for poster presentation. Posters should be 850 mm x 1200 mm in size and displayed in landscape format. The name of the presenting author should be marked in bold and underlined. The following eminent lead speakers will participate and share their experience:

1. Dr. Bhushan M JayaRao , Director ADL, Penn State College of Agricultural Sciences, USA.	:	<i>Veterinary Public Health</i>
2. Dr. Suresh V Kuchipudi , Clinical Associate Professor, Dept. of Biomedical Sciences, Penn State College of Agricultural Sciences, USA.	:	<i>Molecular Pathogenesis of Zika Virus</i>
3. Dr. M. Rajasekhar , Former Director NIVEDI, Bengaluru, India.	:	<i>Surveillance and disease forecasting</i>
4. Dr. S. Nagarajan , Senior Scientist, National Institute of High Security Animal Disease (NIHSAD), Bhopal(M.P), INDIA.	:	<i>Emergence of new subtype of avian influenza virus (H5N8) in wild birds and domestic poultry</i>
5. Dr. V. Chengalvarayalu , Professor & Head, Dept. of Veterinary Parasitology College of Veterinary Science, Tirupathi, India.	:	<i>Parasitic diseases</i>

Kindly register at an early date in order to allow us to make arrangements for the Conference. Payments for registration may be sent by post through demand draft drawn in favour of **Organizing Secretary, FCTSLPH - 2017** payable at Union Bank of India, Namakkal. The scanned copy of the registration form should be sent via e-mail (drkmpalanivel@gmail.com) to the organizing secretary, FCTSLPH - 2017.

REGISTRATION FEE

1. Faculty / Scientists : INR : 5000
2. Students : INR : 2000

TRAVEL AND ACCOMODATION

Namakkal is very well connected by rail upto Salem from all over the country. The nearest airports are located at Trichy (85 Km), Coimbatore (160 Km) Bangalore (250 Km) and Chennai (340 Km). Frequent buses are available from Salem to Namakkal.

Arrangements will be made for participants to reach the venue of conference upon request

Hotel accommodation facilities are available at Namakkal town with the tariff of Rs.1500 to Rs.4000 (A/c) / head /day. Limited accommodation is available at institute campus on first come first serve basis with tariff of Rs. 250 + tax (non A/c).

PLACES OF INTEREST

Namakkal, the district headquarters is popularly known as “Egg City” as the chicken layer industry is well established with a phenomenal population of more than 50 million birds in this zone. The city is one of the big commercial centres boasting the transport and lorry body building. There are two rockcut cave temples located on both sides of a hillock dedicated to Lord Shri Lakshmi Narasimha and Shri Ranganatha. The Anjaneyar temple houses the largest Hanuman statue (18 feet) which is highly reserved. The district has a number of tourist sites of interest such as waterfalls in Kolli hills, Aarthanareeswarar hill temple in Tiruchengode and Ranganathar temple in Namakkal fort.
